QUALITY POLICY STATEMENT

Wellvene is an innovative design engineering and manufacturing company formed to specialise in providing bespoke engineering services to support the global oil and gas well completion, intervention and integrity industry. Our objective is to deliver custom-built solutions to our customers with well-engineered equipment in a safe and efficient manner.

To achieve our goal, Wellvene are fully committed to setting quality standards and objectives that ensure our customers receive the highest level of quality products and services. Wellvene recognise the key to achieving this goal is through the implementation and continual improvement of a robust quality management system that adheres to the requirements of **ISO 9001:2015, API SPEC Q1 & API SPEC 14L**.

The management team actively encourage all employees to take responsibility for achieving these goals through effective use of the quality management system. In turn, Wellvene will provide all necessary resources, training, support and encouragement to ensure the quality management system operates effectively. The quality policy and the supporting quality objectives will be subject to regular management reviews.

The management team at Wellvene Ltd has a continuing commitment to:

1. Develop, maintain and continually improve the Quality Management System.
2. The enhancement of customer satisfaction by ensuring requirements and expectations are fully understood and fulfilled, with the aim of achieving customer satisfaction.
3. Ensure that Customer, legal, HSE and operational requirements are fully understood, and service delivery is continually monitored against these requirements.
4. Communicate throughout Wellvene, the importance of meeting customer expectations in accordance with all relevant statutory and regulatory requirements.
5. Provide a Quality Policy framework for establishing and reviewing objectives and measuring the effectiveness of the QMS.
6. Ensure Management reviews consider quality objectives and utilise internal audit results as a means of monitoring and measuring our processes against the effectiveness of the Quality Management System.
7. Ensure the availability of resources to meet QMS requirements.

Wellvene complies with all relevant statutory and regulatory requirements.

The Quality Policy, Manual & Processes are made available to all members of staff, whilst copies of the minutes of Management Reviews, or extracts thereof, are provided to individual members of staff in accordance with their role and responsibilities as a means of communicating the effectiveness of the Quality Management System.

It is our responsibility to ensure the Quality System functions correctly and its effectiveness is maintained through monitoring, control, audit and review.
